

Hello name

I'm sure you're aware that there are a number of voluntary organisations and societies in Ashwell, and indeed the Parish Council is being asked by parishioners for some facility improvements that are not funded by the annual precept, for which we are seeking grant donations. The Parish Council will be discussing your approach at our next meeting on 2<sup>nd</sup> October, and following that we would be happy to provide you with more information in response to your kind mention of considering the help you might be able to give our Community.

Best wishes

Thank you for your reply to my recent letter and the news that it might be possible to insert an article about The Lodge in The Ashwell Year Book for 2025. I, therefore, look forward to hearing from name in this connection. As you have not mentioned it, may I take it that, at present, there are no voluntary organisations or societies in need of any help?

I do hope that we shall be able to take this forward and further cement Ashwell Lodge's relationship with the village. Once again, many thanks for your positive stance.

Best wishes

Dear Name

Thank you for writing to me regarding your historical connections with Ashwell and your desire to contribute an article to the 2025 edition of the Ashwell Year Book.

I have passed your letter to the name who manages the Ashwell Yearbook production. He will contact you to advise on the possibility to feature your Lodge and its work with Ashwell over the years. He is copied into this email.

We really appreciate the help given to our community by all charitable organisations, and are most grateful for you bringing your relationship with Ashwell to our attention.

With kind regards
