

Dog Poo Waste Bins

The Dog poos waste bins are emptied every Monday and we are aware that they become full over the weekend. North Herts Council have informed us that if the waste is double bagged it can be disposed of in residents Purple Bin that shortly comes into use.

Just for information, the cost to the Parish Council's to empty the eleven bins located around the village on a weekly basis is in excess of £2,000 per year.

If you find that the waste bin is overflowing please either take waste to the nearest alternative dog poo waste bin or take it home and dispose of it as explained. Thank you
