

Good morning Sally

Thank you for your email which has been passed to me for reply as I manage the Community DriveSafe scheme on behalf of our office.

Unless I'm mistaken there was an application, quite a few years ago now, to operate Community DriveSafe on Lucas Lane which we were unable to assist with. Our volunteers operate on 30mph roads only and Lucas Lane is a 20mph road as you know. I believe that the speed limit was reduced relatively recently, although time does fly by! If you believe there is an issue with compliance might I recommend that your Councillor with a Highways Locality Budget arranges for some speed and volume surveys to be carried out to check and take forward with HCC Highways.

If you do have a 30mph road you would like us to consider please feel free to complete a petition using this link [Community Drivesafe](#) to the Commissioners website.

Kindest regards and best wishes.

Office of the Police and Crime Commissioner for Hertfordshire

Harpenden Police Station, 13 Vaughan Road, Harpenden, AL5 4GZ
