Hi xxxxx

My apologies for not getting back to you sooner.

We did agree to support St Mary's hosting of the Post Office for 2024/5 with a grant of £1,000, as that had already been budgeted. However, for 2025/6 in view of the reduction in the facility to 2 x 3 hr mornings, it was felt that this should be reflected in the grant to be offered. So we would be happy to offer £700 as a grant from next year while the PO service continues.

Best regards

Graham Lee – Chairman Ashwell Parish Council

Dear Graham,

Would it be possible to let me know if the PC came to a decision about its contribution to the cost of the Post Office and, if so, what it was?

Many thanks.
