Subject: Small kiddies fair

Hello ...

I am writing to inquire about holding our small kiddies fun fair on your recreation ground this September, we attend your local fireworks display held by the school at the tennis club , and have also attended Ashwell at home among other things.

I know the xxxxxx family used to come to Ashwell for many years and the entrance to the site became unsuitable for their large rides etc, but we are only small children's rides etc.

We offer a wristband event running over 3 days, Friday evening, Saturday & Sunday.

We charge £9.99 for a 3 hour session of unlimited rides and activities, which is quite a good deal in this current climate. Game and food stalls are not included but are also reasonably priced.

We have all ground protection matting, silent generator, our own fencing for around our perimeter and we operate Friday 3pm - 6pm, sat & sun 12noon - 6pm so noise is at a minimum.

We are a local family run business based in Meldreth, only up the road from Ashwell and have long standing ties with the area, my family have run Baldock charter fair for well over 100 years and continue to do so.

I hope to hear back from you soon and can come and meet with you if this is something that can be considered.

Kind regards

xxxxxxxxxx
