21. MINUTES OF COUNCIL MEETING 1st May 2013

It was *resolved* that these be approved and signed.

22. COUNCILLOR VACANCIES The Chairman reported that there had been several developments since the May Council meeting. He also reported that he had had an email exchange with Parishioner David Short who, whilst in favour of an electoral process, had expressed his concerns at the potential cost to the parish of two bye-elections in quick succession. The Chairman summarised the current situation. NHDC Electoral Services had confirmed that, as a poll had been claimed for both vacancies (Cook and Schwick) within the required deadlines, the notices of election for these two vacancies would run to the same timetable. The purpose of the 'claim of poll' procedure through a request by ten electors, rather than the co-option route, was to facilitate nominations for an election. However, there had been no nominations within the deadline and the election timetabled for Thursday 23rd June would not take place. NHDC Electoral Services had now advised, contrary to previous understanding, that because a poll had been claimed co-option for these two vacancies was not allowed. NHDC would publish a new election timetable; deadline for nominations noon Friday 14th June, election date Thursday 11th July. NHDC would repeat this procedure until it received at least two valid nominations or until six months prior to the election date for the whole parish council at the end of its four-year term.

It was noted that the vacancies had been advertised on notice boards, on the website and, so far as copy deadlines allowed, in the reports in the *Ashwell Village News*. It was agreed that there was little further that the Parish Council could do. It was agreed that individual parish councillors would encourage and distribute information to any parishioners who expressed an interest in standing for election.

23. MATTERS OF REPORT

23.1 (May Council, 10.1) New 90/91 bus service. Cllr Daniel Mathews reported further complaints from parishioners to the county council.

It was *resolved* that Standing Orders be suspended for this item.

Parishioner Joan Ridley reported that she had been in contact with County Councillor Tony Hunter re (i) the uncomfortable ride due to the poor state of the vehicle had now been addressed by a much improved bus, (ii) a representative had been in contact to address problems of misrouting and failure to pick up passengers waiting at stops, (iii) concerns with the timetable were outstanding. It was agreed to encourage bus users to continue to report complaints and to ensure that County Councillor Tony Hunter was fully aware of outstanding timetable issues.

23.2 (May Council, 18.1) Unveiling of the new village sign during the At Home. It was agreed to write to Oliver Heald, MP, thanking him for his contribution to this successful event. He had sent responses via the Clerk including (i) 'Parish Clock: The current situation is that the Parish Council have agreed to take no further action, but to review their position if any evidence were forthcoming that the noise from the Clock was a danger to public health.', (ii) Re the April minutes, 'Complaint against Cllr Hoffman. This matter is now closed and no merit is seen in further discussion.' Cllr Peter Long responded that a contractor was due to attend tomorrow to undertake immediate repairs. The Parish Council was aware of the long-term problems associated with the inadequate electrical capacity for the whole building. It had recently been agreed to obtain quotes for extensive rewiring and to pursue the possibility of section 106 funding for this. Parishioner Mark Stier wished to draw the Parish Council's attention to the poor state of the chairs and tables. It was agreed that replacement would be looked into. **R&F**

33. Dates of future meetings. It was noted that it had been agreed to omit the months of January and July from the schedule of full council meetings and that procedures had been put in place to approve the accounts and sign cheques if necessary. The Chairman proposed that a decision be made by 18th June whether there was a need to call a Planning Committee meeting in July; also if there had been developments in any other areas that would necessitate a full council meeting.
