\* Footway lighting columns were installed by, and at the expense of, the Parish Council from 1929. Although historically managed by the Parish Council , all responsibilities, including maintenance, running costs and insurance, have now for some years been covered by Herts County Council .

The Street lighting has now been removed from the fixed asset register as per the above note.

2022-23 figures revalued in accordance with Hertfordshire Association of Parish & Town Council's advice.
