

Moss Cottage Homes Ashwell

One of Moss Cottages has recently become available, and the Trustees invite applications from anyone who would like to become a resident.

The Moss Cottage charity provides housing for individuals in need in accordance with the charity's Governing Document. The charity's entry criteria for individuals are :-

- of limited financial means
- normally over the age of 60
- living in Ashwell, or having lived in the village, with strong local connections
- able to live independently, and look after themselves and their accommodation, with the help of family or friends

The accommodation consists of a terrace cottage with a lounge/diner, bedroom, kitchen and bathroom. There is a small garden. The cottage is one of 6 similar properties and is close to all village amenities. The vacant cottage will undergo a full renovation.

If you wish to be considered as a resident, please contact Rosemary Pearch (01462 742913 or email: rosypearch@live.com) for an application form. The closing date for applications is 31st January, 2019. All applications will then be reviewed by the Trustees against the criteria. They may wish to interview possible candidates who meet the criteria.
