24<sup>th</sup> May 2022

Dear Local Resident,

We are contacting you because you live locally to Bygrave Woods (Ashwell Road, Newnham, Herts, SG7 5JX) and we would like to make sure that you are aware of this year's planned events in advance.

We have two camping and music festivals, and two one day concerts taking place this year. This letter is to give you the key information as early as possible. Nearer the time we will send out an updated letter regarding each event which will detail:

1. Any changes to event & programmed entertainment start and finish times.
2. Updated details on resident's ticket schemes and access to the festivals.
3. Details of any planned road closures and diversions.
4. Updates on any expected congestion at local rail stations.
5. Details of any planned noise propagation tests, including times, prior to the event days.
6. Contacts of the Site Management team for during the pre and post event construction periods.
7. A community hotline number and email, for residents to use over the period of the live events.

The first festival taking place this year is Electric Woodlands.
