A Meeting of the Ashwell Parish Council Planning Committee is to be held on Wednesday 4th September 2019 at 7.30pm

Please note, the planning application(s) listed below are to be considered at an **on-site meeting open to the public** – see individual agenda items for venues. Items are considered in the order presented unless notified otherwise. A period of 10-15 minutes is normally allocated per item although this may be extended if this is agreed to be insufficient. It is the usual practice for time to be allowed for members of the public to present their views. The Parish Council considers each application in relation to the *Ashwell Village Design Statement* and the emerging *Neighbourhood Plan*. Also, if relevant, it will make a request to NHDC re a section 106 payment. Following the meeting its recommendations are forwarded to the District Council which, as the Planning Authority, makes the decision to grant permission or not.

Details and plans relating to applications may be viewed on the North Herts District Council website at www.north-herts.gov.uk/planning/ or at the North Herts District Council offices in Letchworth.

Whether or not you are able to attend the meeting, the Parish Council is always keen to hear parishioners' views so that they can take them into account when formulating their response to NHDC-see contact details above. It is important that parishioner's also respond direct to NHDC.
